REGULATION

ARTICLE 1. EVENT INTERNATIONAL CALENDAR ROAD CYCLING

The **EPIC GRAN CANARIA** is an International Road Cycling event featuring two Gran Fondo events, regulated under Article 9 of the "Cycle Tourism-Cycling for All" Regulation of the RFEC. It falls within the framework of a cycling specialty that views this sport as a form of physical exercise with leisure, tourism, or cultural purposes, explicitly excluding competition.

The **EPIC GRAN CANARIA** is a Gran Fondo with Time Trials, characterized by a significant degree of difficulty in terms of both mileage and elevation gain, where participation and individual effort serve as a motivation for personal growth. The event will take place on roads open to general traffic, and participants will be considered regular users of public roads, subject to the general provisions of the Road Safety Law. The event will adhere to the provisions set forth in Articles 15 and subsequent articles of Annex II of Royal Decree 1428/2003, of November 21, which approves the General Traffic Regulations for the implementation and development of the Law on Traffic, Motor Vehicle Circulation, and Road Safety, as approved by Royal Legislative Decree 339/1990, of March 2.

The **EPIC GRAN CANARIA** is organized by the **Procycle Sport Club** G76262211, with the collaboration of the Island Council of Sports of Gran Canaria, Tourism of Gran Canaria, Riu Hotels and Resorts, and the municipalities of San Bartolomé de Tirajana, Mogán, and Santa Lucía.

The second stage, covering 75 km, will also depart from the Hotel Riu Palace Maspalomas on Sunday, February 08th, 2026, at 8:30 am.

REGLAMENTO

To collect the bib number, it is MANDATORY to present a valid ID and the RFEC or FCC license, in the event that the insurance proposed by the organization has not been purchased.

The collection of bib numbers will take place at the viewpoint of the dunes at the RIU Palace Maspalomas Hotel on February 07th, 2026, from 12:00h to 21:00h. Bibs will not be given to cyclists who arrive outside the designated schedule, even if they are only participating in the sports event.

All participants must visibly wear both their bib number and chip at all times. Any cyclist who fails to do so will be removed from the route by members of the organization or law enforcement. The bib number and chip are personal and non-transferable items. Each registered participant may only compete with the number assigned to them and agrees not to allow anyone else to use it. Claims for lost chips or incorrect placement will not be accepted.

Bib numbers for another participant may be collected with an original or photocopy of the required documents (ID or license). Photographs on mobile phones will not be accepted. For participants under 18 years of age, it is mandatory to present a parental authorization (download the attached form) duly signed. If the participant does not present a license, a €20 fee will be charged for the day license as compulsory insurance to participate in the event.
